

Raven-Symon, Backflip

[Verse 1]

Don't give the tired act, cause you been runnin 'round
The time you spend with me, you shouldn't be comin down.
Don't give me no attitude, sayin what you will and will not do
Baby we need compromise, we're gonna make it through.
Push yourself a little more boy
For me you gotta try a little harder
I'm doin for the love of you
Show me you're always gonna be there
No matter what you're always gonna be there
Here's what you gotta do...

[Chorus]

I wanna see ya Backflip
Cartwheel
Don't be cuttin corners on me
Gotta give me all that
you've got
I need to see it to believe it
I wanna see ya Backflip
for real
Show me that you really
Do feel, everything you say that
You do
I need to see it to believe it.

[Verse 2]

Don't bring me no baggage cause, I've got plenty of my own
Bring me all your good stuff, baby leave the rest at home
You've got your own philosophy, wanna hear all that you believe
But if it ain't about being faithful
Then it ain't impressin me
Push yourself a little more boy
For me you gotta try a little harder
I'm doin for the love of you
Show me you're always gonna be there
No matter what you're always gonna be there
Here's what you gotta do...

[Chorus Repeat]

[Bridge Chorus:]

I would walk(walk), run(run), jump(jump), cart(cart) wheel(wheel) back(back) flip(flip)
Just to be with you
There's nothin I won't do
Gonna walk(walk), run(run), jump(jump), cart(cart) wheel(wheel) back(back) flip(flip)
Just to be with you
There's nothin I won't do
I wanna see you Backflip
