

# Raven-Symon, Double Dutch Bus

You wanna jump on the double dutch bus,  
So take a ride,  
We're waiting in the clutch.  
There's a Double Dutch Bus comin' down the street.  
Movin' really fast,  
So kinda shuffle your feet.  
Get on the bus,  
And pay your fair.  
Tell the driver that your going to a  
Double Dutch affair(follow me).  
[Chorus:]  
Fe Fi Foe Fum (fe fi foe fum)  
Well I be darn  
Here he comes  
(Well I be darn, here he comes)  
The Double Dutch Bus  
Is on the street  
(The Double Dutch Bus is on the street)  
Get on the floor,  
Move your feet  
(You better get on the floor, move your feet).  
Ohh... Ohh. Get on the Double Dutch Bus...  
Double Dutch Bus (Jump on it)  
[x2]  
Now I missed the bus  
And I know that I'm late,  
I gotta do something  
That I'm a hate.  
I gotta walk to work  
15 blocks,  
Just start it  
I already have a hole in my socks  
(I'm in lead now)  
[CHORUS]  
Say ohh (ohh)  
Say ohh ohh (ohh ohh)  
Say uptown (uptown)  
Say downtown (downtown)
