

Raven-Symon, This Is My Time (Remix)

Uh, uh huh, this is my time
Oooh, at times i felt like i had lost myself,
Cause people try to make you someone else,
I had to learn to trust my heart so
Things can change
I came to a point where i could speak my mind
And not feel im living in a box and keep the girl i am concealed ..
Oooh i finally found the strength so i can leave it that all behind

[CHORUS]

This is my time to shine
This is my place to find all that i have inside i never knew
(I never knew)
This is my time to show
What i must have always known that nothings impossible
And dreams come true (and dreams come true)
Oooh .. everybodys got the strength inside all it takes is time to realize
That you and only you can be the one to decide
I can i will i know that everything i want i can do believing in myself
That every wish i make will come true ooo
I took a while to get this far but im here now

[CHORUS]

This is my time to shine
This is my place to find all that i have inside i never knew
(I never knew)
This is my time to show
What i must have always known that nothings impossible
And dreams come true (and dreams come true)
Overcoming all these things .
Here i finally found my wings ..
Now i know im ready to flyyyyyyyyyy....

[CHORUS]

This is my time to shine
This is my place to find all that i have inside i never knew
(I never knew no)
This is my time to show
What i must have always known
That nothings impossible and dreams come true
(And dreams come true)
This is my time [x2]
Yeah yeahhh
This is my time [x2]
Yeahh yeahhh

[CHORUS]

This is my time to shine
This is my place to find all that i have inside i never knew
(I never knew)
This is my time to show
What i must have always known
That nothings impossible and dreams come true
(And dreams come true)
