

Ray Charles, Baby What'd I Say

Hey
mama
don't you treat me wrong
come and love your daddy all night long
alright now
hey hey
alright

See that girl with a diamond ring
she knows how to shake that thing
alright now
hey hey
hey hey

Tell your mama
tell your papa
I'm gonna sing you back to Arkansas
oh yes
mam
you don't do right
don't you're right
oh play it
boy

When you see me in misery
Come on baby
see my feet right
yeah
hey hey
alright

See the girl with the red dress on
She can do the birdland all night long
oh yeah
yeah
what'd I say
alright

Well
Tell me what'd I say
Tell me what'd I say
right now
Tell me what'd I say
Tell me what'd I say
right now
Tell me what'd I say
And
I wanna know
tell me I wanna know right now
Tell me I wanna know
Tell me I wanna know
right now
Tell me I wanna know...

HEY (HEY) OH (OH) ...

One more time
tell me one more time...
