

# Ray Charles, Don't You Know

Wooh, well, don't you know, baby  
Child, don't you know baby  
Oww, don't you know baby  
Little girl, little girl, don't you know  
Please listen to me baby  
Girl, I'm in love with you so  
Turn your lamp down low  
I said turn your lamp down low  
Wooo, turn it down  
Please turn your lamp down low  
Come on baby  
Girl I'm in love with you so  
Now I know I've been away  
For such a long time  
But now baby  
I can't get you off of my mind  
So come on, please baby come on  
Come on, come on  
Love your daddy all night long  
Now if you love me  
Like I love you  
We can do all the things that we  
Used to do  
So come on, Oww, baby come on  
Please baby come on  
Love your daddy all night long
