## Ray Charles, I Remember You

Was it in Tahiti? Were we on the Nile? Long long ago, say an hour ago I recall that I saw your smile I remember you You're the one who made my dreams come true A few Kisses ago I remember you You're the one who said "I love you, too" I do, didn't you know? I remember, too, A distant bell And stars that fell Like rain out of the blue When my life is through And the angels ask me to recall The thrill of them all Then I shall tell them I remember you

## [Instrumental Interlude]

When my life is through And the angels ask me to recall The thrill of them all Then I shall tell them I remember, you
