

# Ray Charles, Mother, Look, I'm An Acrobat

[Lucio]

You must do like this-a [trick]  
You must do like this-a [trick]

[Susan]

Oh no, not-a without a mat-a.

[Lucio]

It's easy you try-a [trick]

[Susan]

Easy, my eye-a [on her fanny]

[Lucio]

Just-a practice you must-a.

[Susan]

I will till I bust-a.

Mother, look, I'm an acrobat  
Baby's jumped in the ring  
Once I sat as a back-row bat,  
Now I nip up and spring.  
Hear your daughter yell, "Allez-up!"  
With the strong man I'll play.  
Watch them lift this tamale up  
And we'll rally up all the crowd there.  
I have never groused about  
Showing my from in tights  
Or watching a clown or roustabout  
In fight-  
Join the circus and see the world,  
Monkey and tiger pup.  
Now my circus will be the world.  
I'm an acrobat "Allez-up!"
