Ray Charles, Out Of This World

You're clear out of this world When I'm looking at you I hear out of this world The music that no mortal ever knew You're right out of a book The fairy tale I read when I was five No armored knight out of a book Was more enchanted by a Loralei Then I After waiting so long For the right time After reaching so long for a star All at once from long and lonely night time And despite time, here you are I cry, "Out of this world" If you said we were through So let me fly out of this world And spend the next eternity or two With you
