

# Ray Charles, Sentimental Blues

A sentimental blues  
Will worry you  
And make you do  
Things that you  
Wouldn't do  
Only when you  
Hear these blues

A sentimental blues  
Will wet your eye  
You wonder why  
You heave a sigh  
You start to cry  
Each time that you  
Hear these blues

Sigh, sigh, sigh  
And drool  
Cry, cry, cry  
You fool  
Yes, I know that it's cool

A sentimental blues  
Deep down inside  
Will make you hide  
Your foolish pride  
A sentimental blues  
Will make you lose  
Your mind

Sigh, sigh, sigh  
And drool  
Cry, cry, cry  
You fool  
Yes, I know that it's cool

A sentimental blues  
Deep down inside  
Will make you hide  
Your foolish pride  
A sentimental blues  
Will make you lose  
Your mind
