

# Ray Charles, Sweet Potato Pie

Oh Lord I feel fine today  
I'm walking on cloud nine today  
I'm over that line today  
Happiness is finally mine today

I guess I'm just a lucky guy  
And I'm prepared to tell you why  
It's strictly on account of my  
Sweet Potato Pie

I'm the fellow that she loves the most  
The main reason why she left the coast  
She's my little girlzia  
That much hotter than a jalapeo

Tender like a night in June  
Sweeter than a honeymoon  
Brighter than a silver spoon  
Just as crazy as a loon

Softer than a lullabye  
Deeper than the midnight sky  
Soulful as a baby's cry  
My Sweet Potato Pie

I used to see her around the neighborhood  
I wonder how she grew up so good  
She belonged to Freddy and he was bad  
And I never was ready to make him mad

I'm glad I had to wait awhile  
A little bit too juvenile  
I needed to refine my style  
A silk suit and a crocodile smile

So let the whole damn world go by  
'Cause I just want to testify  
From now on it's me and my  
Sweet Potato Pie
