Social? Not a bit! She's got a natural kind of wit.

And I tell ya, she'd shine anywhere, and she hasn't got platinum hair
The most beautiful house in the world, it has a mortgage
What do I care? It's "Good-bye, care"
When my slippers are next to the ones that belong
To the one and only beautiful girl
The one and only beautiful girl
The one and only beautiful girl in the world
