

# Ray Charles, Together Again

Together again  
My tears have stopped fallin  
The long lonely nights  
Are now at an end  
The key to my heart  
You hold in your hand  
And nothing else matters  
We're together again  
Together again  
The grey skies are gone  
You're back in my arms  
Now where you belong  
The love that we knew  
Is living again  
And nothing else matters, Baby  
We're together again  
Well, nothing else matters, Baby  
We're together again
