

# Ray J, I Hit It First (ft. Bobby Brackins)

[Ray J:]

She might move on to rappers and ballplayers  
But we all know I hit it first  
I hop in the club and boppers show love, and I don't even put in work  
I hit it, I hit it, I hit it, I hit it, I hit it, I hit it, I hit it first  
I hit it, I hit it, I hit it, I hit it, I hit it, I hit it, I hit it first

I had her head going north and her ass going south  
But now baby chose to go West  
We deep in the building she know that I kill 'em  
I know that I hit it the best  
Candles lit with that wine, money still on my mind  
And I gave her that really bomb sex  
No matter where she goes or who she knows  
She still belongs in my bed  
Going hard in the streets, mobbin' with my homies  
Sippin' on good, blowin' on OG  
Me and ghost sittin' clean with the matching rollie  
I did that first so everybody know me

She might move on to rappers and ballplayers  
But we all know I hit it first  
I hop in the club and boppers show love, and I don't even put in work  
I hit it, I hit it, I hit it, I hit it, I hit it, I hit it, I hit it first  
I hit it, I hit it, I hit it, I hit it, I hit it, I hit it, I hit it first

[Bobby Brackins:]

Steady on at the top where we finna be  
Apple juice and we mix it with the Hennessy  
Give her no dough to come, but I gave her 10 to leave  
I bet I hit it first, unless you took that girl virginity  
First come, first served is all a player know  
But I don't wanna be a player no more  
That's a lie, I'm way too fly  
I love anything with ass that walk by  
Yeah you love her, yeah you hug her and you kiss her  
She dome me up, she give me face like some whiskers  
Tia's and Tamera's, I be knockin' sisters  
And I still hit, while you lonely and you miss her

[Ray J:]

When I walk in the function  
You already know I'm leaving with something  
Girls know when I'm coming  
I give a girl real proper loving

She might move on to rappers and ballplayers  
But we all know I hit it first  
I hop in the club and boppers show love, and I don't even put in work  
I hit it, I hit it, I hit it, I hit it, I hit it, I hit it, I hit it first  
I hit it, I hit it, I hit it, I hit it, I hit it, I hit it, I hit it first

And if you were to come back to me  
Girl I know just how you'd do me  
And if you were to come back to me  
Girl I know just why you'd choose me  
And if you were to come back to me  
Girl, I'll get it wet 'n' jacuzzi  
And if you were to come back to me girl  
We'll make another movie

She might move on to rappers and ballplayers  
But we all know I hit it first  
I hop in the club and boppers show love, and I don't even put in work

I hit it, I hit it, I hit it, I hit it, I hit it, I hit it first  
I hit it, I hit it, I hit it, I hit it, I hit it, I hit it first

I put her on, I put her on, I put that girl on  
I put her on, I put her on, I put that girl on  
I put her on, I put her on, I put that girl on  
I put her on, I put her on, I put that girl on
