

# Ray J, One Wish

Damn baby  
Just don't understand where we went wrong  
I gave you my heart  
I gave you my soul  
I gave you...

As a matter of fact I was the one who said I love you first  
It was about eight years ago, don't act like you don't know  
We were sittin' at home in your mama's livin' room  
Cause, we couldn't be alone  
See your mama knew I was something else, she knew how I felt  
Back then we were in school; and that's your favourite excuse  
Growin' up I was a fool; and I can't lie I'm missing you  
Listen and don't trip  
I think I need a bottle with a genie in it  
Here's my wish list

First one, I would create a heart changing love  
Second one, I'll take yours and fill it all up  
Third one, but I don't need a lot of wishes cause I'll be okay if I get one

If I had one wish, we would be best friends  
Love would never end, it would just begin  
If I had one wish, you would be my boo  
Promise to love you, trust me I'll trust you  
If I had one wish, we would run away  
Making love all day, have us a baby  
If I had one wish, I'd make you my whole life  
And you'd be my wife, make it right this time

If I had one wish  
One wish, one wish, one wish  
One wish, one wish, one wish  
One wish, one wish, one wish  
One wish, one wish, one wish

Now tell me is this the only way I can get you right back in  
If so then searchin' I'll go, then I can have you for sho  
Then you'll be loving me, holding me, kissing me  
So girl don't tell me what I'm feeling is make believe  
I swear if I lose a second chance with you  
I wouldn't know what to do  
I'd probably check myself into some kind of clinic  
I couldn't be alone because without you I'm sick  
Here's my wish list

First one, I would create a heart changing love  
Second one, I'll take yours and fill it all up  
Third one, but I don't need a lot of wishes cause I'll be okay if I get one

If I had one wish, we would be best friends  
Love would never end, it would just begin  
If I had one wish, you would be my boo  
Promise to love you, trust me I'll trust you  
If I had one wish, we would run away  
Making love all day, have us a baby  
If I had one wish, I'd make you my whole life  
And you'd be my wife, make it right this time  
If I had one wish

I don't even know how we ended upon this road  
And, even though we are grown, Girl I just want you to know

If I had one wish, we would be best friends

Love would never end, it would just begin  
If I had one wish, you would be my boo  
Promise to love you, trust me I'll trust you  
If I had one wish, we would run away  
Making love all day, have us a baby  
If I had one wish, I'd make you my whole life  
And you'd be my wife, make it right this time
