Ray J, One Wish

Damn baby Just don't understand where we went wrong I gave you my heart I gave you my soul I gave you...

As a matter of fact I was the one who said I love you first It was about eight years ago, don't act like you don't know We were sittin' at home in your mama's livin' room Cause, we couldn't be alone See your mama knew I was something else, she knew how I felt Back then we were in school; and that's your favourite excuse Growin' up I was a fool; and I can't lie I'm missing you Listen and don't trip I think I need a bottle with a genie in it Here's my wish list

First one, I would create a heart changing love Second one, I'll take yours and fill it all up Third one, but I don't need a lot of wishes cause I'll be okay if I get one

If I had one wish, we would be best friends Love would never end, it would just begin If I had one wish, you would be my boo Promise to love you, trust me I'll trust you If I had one wish, we would run away Making love all day, have us a baby If I had one wish, I'd make you my whole life And you'd be my wife, make it right this time

If I had one wish One wish, one wish, one wish

Now tell me is this the only way I can get you right back in If so then searchin' I'll go, then I can have you for sho Then you'll be loving me, holding me, kissing me So girl don't tell me what I'm feeling is make believe I swear if I lose a second chance with you I wouldn't know what to do I'd probably check myself into some kind of clinic I couldn't be alone because without you I'm sick Here's my wish list

First one, I would create a heart changing love Second one, I'll take yours and fill it all up Third one, but I don't need a lot of wishes cause I'll be okay if I get one

If I had one wish, we would be best friends Love would never end, it would just begin If I had one wish, you would be my boo Promise to love you, trust me I'll trust you If I had one wish, we would run away Making love all day, have us a baby If I had one wish, I'd make you my whole life And you'd be my wife, make it right this time If I had one wish

I don't even know how we ended upon this road And, even though we are grown, Girl I just want you to know

If I had one wish, we would be best friends

Love would never end, it would just begin If I had one wish, you would be my boo Promise to love you, trust me I'll trust you If I had one wish, we would run away Making love all day, have us a baby If I had one wish, I'd make you my whole life And you'd be my wife, make it right this time
