

Ray LaMontagne, Barfly

Barfly
Just a barfly baby, uh-huh
Barfly
Just a barfly baby, uh-huh

Kiss me before you go
I'm going nowhere lately

Barfly
Just a barfly baby, uh-huh
Barfly
Just a barfly baby, uh-huh

Slow down
Slow down, you move too fast
Slow down
Slow down, you move too fast

Kiss me before you go
I'm going nowhere lately
Kiss me before you go
I'm going nowhere lately

I'm going nowhere
I'm going nowhere
I'm going nowhere
I'm going nowhere
I'm going nowhere
