

# Ray LaMontagne, Big Boned Woman

Oh good woman left the porch light on  
Big boned Sally won't do me no wrong  
Now that's a woman that I sure do love to see

Big boned Sally got the turkey on the table  
Big boned Sally got the mashin' that potato  
Sweet cornbread, red ripe tomato, a bowl full of garden greens

Yes that's my big boned woman, a big boned woman  
A big boned woman got a big ol' hold on to me, yes  
Big boned woman, she's gonna save my soul from ruin  
My big boned woman got a whole lotta, whole lotta, whole lotta what I need

Big boned Sally in a long flat dress  
That's the way that she can love me the best  
She got big brown eyes put your pour heart to rest  
But your soul that wanna dance and sing

Big boned Sally I love her so much  
Sweet sugar smile and a honkey tonk touch  
Oh good lord you got to find me a crutch  
Because I feel a little weak in the knees

Yes that's my big boned woman, a big boned woman  
A big boned woman got a big ol' hold on to me, yes  
Big boned woman, she's gonna save my soul from ruin  
My big boned woman got a whole lotta, whole lotta, whole lotta what I need

Now hold on to me baby!  
Feels good!  
That's right! That's right!

Oh good woman left the porch light on  
Big boned Sally won't do me no wrong  
Now that's a woman that I sure do love to see

Big boned Sally got the turkey on the table  
Big boned Sally got the mashin' that potato  
Sweet cornbread, red ripe tomato, a bowl full of garden greens

Yes that's my big boned woman, a big boned woman  
A big boned woman got a big ol' hold on to me, yes  
Big boned woman, she's gonna save my soul from ruin  
My big boned woman got a whole lotta, whole lotta, whole lotta what I need  
My big boned woman got a whole lotta, whole lotta, whole lotta sympathy.
