

# Ray Price, All Right (I'll Sign The Papers)

I've tried so hard to keep our home alive but you don't even know that I'm around  
You tell me that somehow our love has died  
And you'd rather be set free than be tied down  
All right I'll sign the papers even though you know I love you so  
All right I'll sign the papers but oh how it hurts to see you go  
[ steel ]  
I've laid awake at nights when you were gone  
And thought of all the things that I could do  
To try and make you happy when you come home  
But the more I try the more you make me blue  
All right I'll sign the papers...
