

# Ray Price, Cold, Cold Heart

I tried so hard my dear to show that you're my every dream  
Yet you're afraid each thing I do is just some evil scheme  
A mem'ry from your lonesome past keeps us so far apart  
Why can't I free your debtful mind and melt your cold cold heart  
[ fiddle ]

There was a time when I believed that you belonged to me  
But now I know your heart is shackled to a memory  
The more I learn to care for you the more we drift apart  
Why can't I free your debtful mind and melt your cold cold heart  
[ steel ]

You'll never know how much it hurts to sit and watch you cry  
You know you need and want my love yet you're afraid to try  
Why do you run and hide from life to try it just ain't smart  
Why can't I free your debtful mind and melt your cold cold heart
