

# Ray Price, Don't Let The Stars Get In Your Eyes

Don't let the stars get in your eyes don't let the moon break your heart  
Love blooms at night in daylight it dies don't let the stars get in your eyes  
So keep your heart for me for someday I'll return  
And you'll know you're the only one I'll ever love  
Too many nights too many stars too many moons can change your mind  
If I'm gone too long don't forget where you belong  
When the stars come out remember you are mine  
Don't let the stars get in your eyes...

[ fiddle - guitar - piano ]

Too many miles too many days too many nights to be alone  
So please keep your heart while we are apart  
Don't stand in the moonlight while I'm gone  
Don't let the stars get in your eyes...
