

# Ray Price, I Love You Because

I love you because you understand dear every single thing I try to do  
You're always there to lend a halping hand dear  
I love you most of all because you're you  
No matter what the world may say about me  
I know your love will always see me through  
I love you for the way you never doubt me but most of all I love you cause you're you  
[ steel ]  
I love you because my heart is lighter every time I'm walking by your side  
I love you because my future's brighter the door to happiness you've opened wide  
No matter what may be the style or seasons I know your heart will always be true  
I love you for a hundred thousand reasons  
But most of all I love you because you're you
