

# Ray Price, I Want To Hear It From You

If all our love is through if you found someone new I want to hear it from you  
If there is no mistake and if my heart must break I want to hear it from you  
Just the thought of losing you is more than I can stand  
But this hurt would be much worse if I heard it secondhand  
If there's no hope at all if all my world must fall I want to hear it from you

So tell me now if things are not the way they used to be  
I want to hear it from your lips you owe this much to me  
If all our love is through if you found someone new then I want to hear it from you
