

Ray Price, I Want To Hear It From You

If all our love is through if you found someone new I want to hear it from you

If there is no mistake and if my heart must break I want to hear it from you

Just the thought of losing you is more than I can stand

But this hurt would be much worse if I heard it secondhand

If there's no hope at all if all my world must fall I want to hear it from you

[steel]

So tell me now if things are not the way they used to be

I want to hear it from your lips you owe this much to me

If all our love is through if you found someone new then I want to hear it from you
