

Ray Price, My Shoes Keep Walking Back To You

My Shoes Keep Walking Back To You
I may say that I don't care
hold up head up in the air
Even tell my friends I'm glad that you don't call
But when the day is through
my heartaches start anew
And that's when I miss you most of all
And my arms keep reaching for you
my eyes keep searching for you
My lips keep calling for you
and my shoes keep walking back to you
[fiddle]

No matter how much I pretend
I wish I had you back again
For no one else means half as much as you
the day you said goodbye
My world just seemed to die
And I can't forget no matter what I do
And my arms keep reaching for you
my eyes keep searching for you
My lips keep calling for you
and my shoes keep walking back to you
and my shoes keep walking back to you
