

Ray Price, The Same Old Me

when i saw you with your new love today,
it hurt me in an old familiar way,
and i know there is nothin' i can do,
but i'll always be here waiting just for you,
with the same two arms still missin' you,
and the same old heart still bein' true,
and the same two lips they still belong to you,
and the same old me keeps lovin' you,
(fiddle solo, then steel solo)
i have tried everything to drive you from my heart,
but the memory of you makes me feel so blue,
and with every heartbeat i can feel the teardrops start,
so you'll always find me waiting here for you,
with the same two arms still missin' you,
and the same old heart still bein' true,
and the same two lips they still belong to you,
and the same old me keeps lovin' you,
