

# Ray Price, Thing Called Sadness

(It's a thing called sadness)

It's been here since you've been gone it's been hanging round too long

A thing called sadness not much of a friend when you walked out it walked in

In every chair where I sit down it follows me all over town

A thing called sadness not much of a friend when you walked out it walked in

What in the world am I gonna do this old friend can't take the place of you

It only brings back mem'ries of you and all the things that we used to do

In every chair...
