

# Ray Price, Time Changes Everything

There was a time when I thought of no other and we sang our own love's refrain  
Our hearts beat as one as we had our fun but time changes everything  
When you left me my poor heart was broken our romance seemed all in vain  
The dark clouds are gone and there's blue skies again for time changes everything  
[ fiddle - steel ]  
You can change the name of an old song rearrange it and make it swing  
I thought nothing could stop me from loving you but time changes everything  
So goodluck to you may God bless you I can't say I won't love again  
You've gone your way and now I'll go mine cause time has changed everything
