

# Ray Price, Walking On New Grass

I'm like a cloud that drifts from town to town each new love just helps me on my way  
And no one woman's ever gonna tie me down  
And when one gets too close I just back up and say  
I gotta be walkin' on new grass singin' a new song  
Tomorrow there's no tellin' where I'll be  
But I'll be walkin' on new grass singin' a new song  
The next time up the road keeps callin' me  
I'm warning you don't fall in love with me I don't plan on bein' here too long  
You're just a leaf caught in a playfull breeze  
I'll stay with you a while and then move on  
I gotta be walkin' on new grass...  
I won't take roots I never stay that long a bad seed just won't grow here anyway  
This rolling stone don't wanna gather no moss  
When the grass starts growin' I'll be on my way  
I gotta be walkin' on new grass...  
The next time up the road keeps callin' me  
The next time up the road keeps callin' me
