

# Ray Wilson, Bless me

Bless me said the lonely boy  
Bless me said the lonely girl  
Why does no one love me  
Why will no one ever tell me why?  
Bless me said the lonely man  
Bless me said the lonely man  
Now that my wife left me  
Who is gonna fill my dreams at night  
I try but I dont succeed  
Its only love  
Need for changing  
And there for the rest of time  
Bless me for the love god  
Bless me for the love god  
Cant you understand me  
Try to make a difference in my life  
I just dont belong here  
That everyone can see it in my eyes  
Bless me  
Bless me said the lonely man  
Bless me  
I cannot feel love  
I cannot feel love  
Bless me  
Bless me  
Bless me  
I cannot feel love  
I cannot feel love  
Bless me  
Bless me  
Bless me
