Let's go!  
Strapped in and holding on TIGHT  
We on the wildest on RIDES  
No holding back, We just MIGHT  
See how far we can go  
See up ahead, There a CURVE  
No sweat, Not gonna REVERSE  
New thrills of every TURN  
On this open road

Oh yeah I'm ready for it  
You know im ready for it  
I JUST WANNA GO  
You know im ready for it

There no turning back  
So we just wanna
