

# Razorlight, Dean Take Your Time

She waits  
She waits, for you  
Come back

Dean, take your time  
Take your time  
To come back

Cause nobody does  
Nobody does it  
Nobody does it the way you do it but well  
No matter how much you know  
No matter how much you know  
No matter how much you know

Well you get ideas  
Just ideas in your mind  
And it's a blackjack cracked to the side of your skull  
And keeps your worrying, man

Nobody does it  
Nobody does it  
Nobody does it the way you do it but well  
No matter how much you know  
No matter how much you know  
No matter how much you know  
Just let it get your by

Nobody does it  
Nobody does it  
Nobody does it, no  
Nobody does it  
Nobody does it  
Nobody does it  
Nobody does it (nobody does it)  
Nobody does it (nobody does it)  
Nobody does it (nobody does it)  
Nobody does it (nobody does it)  
Nobody does it (nobody does it)  
Nobody does it, no  
Nobody does it (nobody does it)  
Nobody does it (nobody does it)  
Nobody does it, no  
Nobody does it (nobody does it)  
Nobody does it (nobody does it)  
Nobody does it (nobody does it)  
Nobody does it, no
