Razorlight, Don't Go Back To The Dalston

It's a big big world and you can do what you like You can do anything you want because darling it's your life But don't go back to Dalston Don't go up the junction Don't go round the houses Well just come back to me Come back to me

Come back to me

Come back to me

It's a big big world and you can take your time You've got your friends and I've got mine

Don't go back to Dalston
Don't go up the junction
Don't go round the houses
Well just come back to me

Come back to me Come back to me Come back to me (Oooooooohhh)

Just come back, come back, come back Come back, come back, come back (x30) Come back, come back, come back to me
