Readymade, Self-Destructive Today

SELFDESTRUCTIVE TODAY

Well i think it might be time againTo see if i can still take the abuseLaziness is what is killing me'ca Yes today is the day for something newTo see things i never saw beforeBut i feel there's nothing led I wasted all this timeTo find the palace of wisdom on the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i will get a second or the excess roadBut i know i can, i know i can, i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i know i can a second or the excess roadBut i
