

# Reagan Youth, In Dog We Trust

Inquisition says we'll burn in hell  
Damnation for the infidel  
Gonna start and spread some heresy?  
Ya' gotta expect a certain misery  
They're gonna make it really interesting  
They're gonna go and teach democracy  
Whatever God that could exterminate  
Whatever God that can't tolerate

In dog we trust [4x]

In dog we trust  
In God you trust  
In God you trust  
In God you lust

God damn you  
God damn me  
God damn who?
