

Reagan Youth, No Class

The old bat say i have no manners
Pardon me my manner is my own
I might not climb the social ladder
But i can climb the schoolyard fence

Got no class
I say, got no class
I say, got no class
I'm just my fuckin' self

The old timer tries to socialize me
And keep me neatly in my place
Excuse i'm not a cat of authority
And, she put pressures on my taste

Got no class
I say, got no class
I say, got no class
I'm just my fuckin' self

And at times i might be gentle
Don't mean that i'm a gentleman
I ain't no performance art
I am simply what i am!

Got no class
I say, got no class
Isay, got no class...
