

# Reagan Youth, Queen Babylon

Said you, think you're gorgeous  
But you, just make me nauseous  
Said you, acting like a goddess  
A goddess, would act more modest

Said Queen Babylon  
You're heading for a fall  
Said Queen Babylon  
You're heading for a fall

Said you, think your gorgeous  
But baby you make me nauseous  
Oh baby acting like a goddess  
But a goddess would act more modest

Said Queen Babylon  
You're heading for a fall
