

Real Blondes, I Won't Let Go

Whatever you say
Whatever you do
I'll never break your heart
I won't let go

Don't wanna be lonely
I don't know what to do
Baby, can't you understand
I just wanna hold you
But you're out of reach
Time and time again

You're all I need
I mean everything I say is true
This is, this is what I feel
Oh baby

Wherever you are
Wherever you go
Whenever we're apart
I need you so
Whatever you say
Whatever you do
I'll never break your heart, no
I won't let go

I can't stand this waiting
Don't know right from wrong
And it turns me inside out
I hope you're not thinking
'Cause I'm not that strong
Boy, I want you now

You're all I need
I mean everything I say is true
This is what I feel
It's what I'm feeling for you

Wherever you are
Wherever you go
Whenever we're apart
I need you so
Whatever you say
Whatever you do
I'll never break your heart, no
I won't let go

I won't let go

Each time you leave
I mean everything I say is true
You steal a piece of me
But you walk away, my baby

Wherever you are
Wherever you go
Whenever we're apart
I need you so
Whatever you say
Whatever you do
I'll never break your heart
No, I'll never break your heart

Wherever you are

Wherever you go
Whenever we're apart
I need you so
Whatever you say
And whatever you do
I'll never break your heart, no

Whatever you say
Whatever you do
I'll never break your heart, no
I won't let go
