

# Real McCoy, 24 Hours

24, 24, 24 hours  
The city doesn't sleep, 7 days a week  
24, 24, 24 hours  
We're leaving on a fast plane  
24 hours, 24 hours  
7 days a week  
24 hours, 24 hours  
I'm leaving on a fast plane

Downtown, entertainment, love town, business  
All around the clock, all around the world  
Get faster, faster, get with this  
24 hours of action, of happening satisfaction  
You better stay strong 7 days a week  
Cause the city never sleeps  
Tic tac tic tic tac  
Around the clock cause there is no doubt

No jump, to move, no more siesta  
All right you're fast  
You'd better be faster

New York, Rio, Tokyo, London, Paris, here we go  
You go, you can feel the heartbeat, the tempo, the city heat  
Come, take a chance with the.  
Don't rush the hours the tropic jam  
City lights so fast, so fast  
No time to take a rest  
Tic tac tic tic tac  
Around the clock cause there is no doubt  
No jump to move no more siesta  
All right you're fast  
You'd better be faster
