

Real McCoy, I Want You

More and more I love you more than words can say.
Your love is just a miracle, your love will save the day.
Tell me what I have to do, to keep your love,
baby all I want is you, more and more and..
Chorus:

More and more to my surprise, I want you I realize,
fell in love, in love with you, anything you want..

Why won't you give it up, you know you've got to give it up.
I know your love will save our day.
Why won't you give it up, you know you've got to give it up,
you better start to understand..
More and more I've got you always on my mind.
I want you each and every day, I need you anytime.
Cuz I never knew a love, like this before,
tell me how to keep your love, more and more and...

Chorus

Why won't you give it up, you know you've got to give it up.
I know your love will save our day.
Why won't you give it up, you know you've got to give it up,
you better start to understand..
Why won't you give it up, you know you've got to give it up.
I know your love will save our day.
Why won't you give it up,
you know you've got to give it up, you better start to understand...
