

Real McCoy, Out Of Control

Out of control
Shutdown

Imagination
I am out of control
When you feel groove
Imagination
I am out of control
When you move and move

Touch my heart
again
Hold me tight
Sing my song
Love me
I'm out of control
I'm in a trance
Set me free
?
Ecstasy
I can't stop
Imagination
Fantasy
Or fascination

trance as you see
Feel the groove
Out of control
Love's a dream of fantasy
Feel the beat deep in your soul

Re-activate
Re-activate

In my heart
Love extreme
In my mind
Imagination
I can't stop
No I can't stop
.. ?
. ?
Fantasies
fascination
Ecstasy
Imagination
I can't stop
No I can't stop
I'm in a trance
I'm out of control
