

Real Mckenzie's, Get Lost

go on get lost & join a punkrock band
quit your school, give up your job
and live in a stinky van
they won't let you take it easy
you don't wanna get it slow
now you gotta get 'cher ass to the next punkshow
so... ya! go on! get lost!

go on get lost & f**k your life for good
fall through the cracks of society
like your old man said you would
now you can never take it easy
never ever get it slow
coz it's one hundred miles an hour
to the next punkshow
so ya...go on! get lost!

don't need a stupid d.j.
cos we hate the radio & we
don't own a fukkin' tv set coz
we ain't even got a home
got no job, no pets, no family, coz
we're forever on the road
if you think it's so damn easy:
just get lost!

(Repeat 2nd Verse)
