

# Reamonn, Letter From My Sister

Got a letter from my sister  
I realized how much I missed her  
Tells me that she's far away  
Oh, so very far away

Oooohhhh

She tells me that she is in love  
It's all she's thinking of  
Tells me that it's herb this time  
Playing games with her mind

She thinks she'll  
Never be the same  
She's playin' a big guy's game  
And the world is spinning 'round  
Throws her hands out and falls to the ground

Hi ye yi yeah

She tells me that she is in love  
It's all she's thinking of  
Tells me that it's herb this time  
Playing games with her mind

She thinks she'll  
Never be the same

And the world is spinning 'round  
Throws her hands out and falls to the ground
