

# Reba McEntire, Before I Met You

(Charles L. Seitz/Joe Lewis/Elmer Rader)

Well I thought I had seen good looking men in my time  
That was before I met you  
And I never saw one that I wanted for mine  
But that was before I met you

Well I thought I was swinging the world by the tail  
I thought I could never be blue  
I thought I'd been kissed  
And I thought I'd been loved  
But that was before I met you

Well I wanted to ramble and always be free  
That was before I met you  
And I said that nobody could ever hold me  
But that was before I met you

Well I thought I was swinging the world by the tail  
I thought I could never be blue  
I thought I'd been kissed  
And I thought I'd been loved  
But that was before I met you

I thought I'd been kissed  
And I thought I'd been loved  
But that was before I met you  
Darling that was before I met you
