

Reba McEntire, I Don't Wanna Be A One Night Stand

(Layne Martin Jr.)

Now you ask me if I will go with you
Well I'd like to but I don't know if it's right
Are you looking for someone to care for you
Or just someone to love you tonight

Chorus:

Well I don't want to be a one night stand
So if that's what you got planned

Baby before we go you better let me know
I don't want to be a one night stand

It's been so long since I've had some loving
And your kisses make me wish that you were mine
Now it'd be so easy for me to fall for you
And let myself have a good time

Repeat chorus 3 times
