## Reba McEntire, I Don't Want To Be A One Night S

(Layng Martine Jr.)

Now you ask me if I will go with you Well I'd like to but I don't know if it's right Are you looking for someone to care for you Or just someone to love you tonight

Well I don't want to be a one night stand So if that's what you got planned Baby before we go you better let me know I don't want to be a one night stand

It been so long since I've had some loving And your kisses make me wish that you were mine Now it'd be so easy for me to fall for you And let myself have a good time

Well I don't want to be a one night stand So if that's what you got planned Baby before we go you better let me know I don't want to be a one night stand

Well I don't want to be a one night stand So if that's what you got planned Baby before we go you better let me know I don't want to be a one night stand

Well I don't want to be a one night stand So if that's what you got planned Baby before we go you better let me know I don't want to be a one night stand
