

# Reba McEntire, I Wouldn't Wanna Be You

(Randy Sharp/Jeff Silbar)

You don't have a clue  
You're so far gone  
He's got you dancin' to  
A siren's song  
I wouldn't wanna be you right now  
I wouldn't wanna be  
I wouldn't wanna be you right now  
I wouldn't wanna be, I wouldn't wanna be

You're not the first he's drawn  
To his flame  
He means to do you wrong  
He has no shame  
I wouldn't wanna be you right now  
I wouldn't wanna be  
I wouldn't wanna be you right now  
I wouldn't wanna be, I wouldn't wanna be you

It's easy to understand  
How you could fall so hard  
You're not the only one  
He's taken in and torn apart

Won't say I told you so  
But I'm afraid it's true  
You're about to go  
What I went through  
I wouldn't wanna be you right now  
I wouldn't wanna be  
I wouldn't wanna be you right now  
I wouldn't wanna be, I wouldn't wanna be you
