

# Reba McEntire, Now You Tell Me

(Donny Kees/Shawna Harrington)

What a surprise  
Never thought I'd hear from you  
Whatever made you call  
From out of the blue  
What did you say  
I must be hearing things  
Things that I never thought would come from you

Now you tell me  
That you love me desperately  
Why did you wait so long to say those words to me  
Oh you made me crazy  
I don't know what to do  
Now you tell me  
Not that's there's somebody new

I think you should know  
There's someone here with me  
O bet he can tell you must be someone dear to me  
So I better go  
'Cause you still get to me  
Just when I thought I was over you  
This is all I need

Now you tell me  
That you love me desperately  
Why did you wait so long to say those words to me  
Oh you made me crazy  
I don't know what to do  
Now you tell me  
Not that's there's somebody new
