

# Reba McEntire, Pins And Needles

(Janis Carnes/Rick Carnes/Chip Hardy)

Pins and needles  
Needles and pins  
One by one I feel them at my heart again  
I think I'm getting over you and then  
Pins and needles  
Needles and pins

I don't know why  
I get uneasy  
Every time I hear your name  
I feel a sting from every memory  
That we made

Pins and needles  
Needles and pins  
One by one I feel them at my heart again  
I think I'm getting over you and then  
Pins and needles  
Needles and pins

That tiny ache  
Can always find me  
Anytime that you are near  
Those little things  
Can still remind me  
That you don't care

Pins and needles  
Needles and pins  
One by one I feel them at my heart again  
I think I'm getting over you and then  
Pins and needles  
Needles and pins

(Pins and needles  
Pins and needles  
Pins and needles  
Needles and pins)
