Reba McEntire, Till You Love Me

(Bob DiPiero/Gary Burr)

I sent you roses, I warned you I would Do all that I could to show you the way that I feel Please, don't say I'm wasting my time I've got nothin' but time so I'll do all that I can to catch That ghost of a chance

The sunlight, the moonlight
Are beyond my control
And there are stars in the heavens
That I'll never hold
But if dreams give you power
Then I'm strong enough to offer my heart
And never give up till you love me
Till you love me

I looked in your eyes, so bright and so blue And that's when I knew that you could be mine If good things come to those who will wait Well, I guess I can wait if that's what I have to do Oh, it's worth it for you

The sunlight, the moonlight
Are beyond my control
And there are stars in the heavens
That I'll never hold
But if dreams give you power
Then I'm strong enough to offer my heart
And never give up till you love me
Till you love me
