

# Rebeca Lavelle, Did i tell you?

Did I tell you that I love you today?  
Have I looked into your eyes?  
Cause I've taken down that last remaining wall  
and showed myself to you  
As I am  
All my faults  
All my thoughts  
All my yearning  
Oh I love you  
Always have and always will  
and I wanna face this moment  
Hold it near  
Hold it deep  
Hold it still  
Did you know how scared I used to be  
Scared for you, scared of me  
But taking down this barrier  
and touching you at last  
has broken all that down  
Into dust  
blown away  
Now there's us  
and we're real  
Oh I love you  
Always have and always will  
and I wanna face this moment  
Hold it near  
Hold it deep  
Hold it still  
Oh I love you  
Always have and always will  
and I wanna face this moment  
Hold it near  
Hold it deep  
Hold it still  
Did I tell you that I love you today...
